Good Morning,

In light of current health concerns and possible restrictions on travel, we are asking our clients to confirm as early as possible so we can ensure adequate reporter coverage. Once you know if this is moving forward or not, please contact our office by email or telephone.

Please review the details carefully and let me know if this is still going forward-court reporter and RemoteDepo. Please also provide a notice and the witness' email or let us know that someone will forward the link.

Please note that that the RemoteDepo Test Center is a public link and it is entirely possible when someone goes in, other parties will be in that room. It is a test center and therefore a number of people are using it. Additionally, the court reporter will be asking the witness for a government ID to ensure they are who they say they are.

Thank you!

Witness: Hans Mast
Case Name: Paul Dulberg v. Law Offices of Thomas Popovich, et al.
Date: 06/25/2020
Time: 10:00 AM, (GMT-06:00) Central Time (US & Canada)
Location:
Reporter and all Parties will appear via Video Conference.

Thank you for choosing U.S. Legal Support.

Please note: To ensure your safety and the safety of others, when visiting a U.S. Legal Support office, please practice responsible social distancing measures. We ask that you provide and wear your own mask in common areas (halls, restrooms, break areas, cube areas, conference rooms, etc.). Thank you for your understanding and cooperation.
