Recorded statement saved under "Dulberg file - starts 9:16 to 6:03.

*what is meant by checked?*

I was turning so that the back was going to cut and an easier go at it. Therefore, the branches that came down. I guess I can say "we" without saying "me" opted to stand the branches up and proceeded to cut. We done this many times, basically scalding off the small branches to make in size of 2 or 3 inch diameter pine needles left, nothing of real value to something to clean up. So, in doing so we had cut probably, I don't know, have a cord of little tiny pieces and had some left and we got to one where I didn't change position, and just so you was the way that I was operating the saw and checked, in other words, I wasn't free wheeling it out in front of me, always in position and we got to a branch that maybe we shouldn't have tried to cut, it was a little flimsy, so when I hit the crotch it flexed. At that time, yes I was handling the saw, but Paul at the same time and just because we know each other so well, I assumed it would be ok to support it. In doing so, I was already into the cut and the crotch just and I just nicked his arm. So I am wondering at this point, I was there in the operating room I looked into his flesh I was there weeping with him not accepting negligence or responsibility in full but certainly feeling my friend's pain, calling my mother of course she is concerned, she provided for all of the information and such for his medical bills and whatever to be paid and paid for his medication that day for pain and actually gave him some money for, you know, doing the work. I think \_\_\_\_\_ and he worked and he probably had intentions of getting something and actually I am wondering what is the premise that he is suing on and to what extent if you can answer those questions for me because I have known Paul for a long time, ok. I am going to tell you something else, he helped me roof my roof this summer, he did renovation work for a guy over here in Twins Lakes and ironically we talked and you know and I'm like yeah I know that guy, his name is Mike Thomas and, I mean, what is the premise that is he suing on?

*scalding is burning*

*HE ASSURED IN MICROSECONDS*

*PAUL WASN'T WEeping DIDN'T SEE DAVE WEeping EITHER*

Hans - I would be happy to tell ya, I mean, I don't know if you know this, our lines are recorded, but I don't have to keep it if you don't want me to.

No, I don't care, everything I am saying is the truth and that's the way that I operate and I'm glad that it is recorded and that we are both verified and so continue.

Hans - I don't expect you to tell me anything but the truth anyway, so as long as that is a good deal then fine.

What he said, you know, is that, we can make a lot of money in this, and I said we? I said Paul, I'm still thinking about your arm and getting home and getting your meds and he say ah, we'll talk about it later. So, once again, per law I understand that he is entitled to something but there should be

need why it should be hyped, pumped, exaggerated it and what I just told you was the truth. ok, as far as his injury my face was right in there. I mean he was all... and got pain medication and their \_\_\_\_\_ filing away at his flesh, but when it came down to it, I'm not a doctor, but I can tell ya the fascia is a white membrane underneath your, separates your muscle from your fatty tissue of your epidermis, that is how deep it went. Now, we are not to judge or to say how bad it is, but as far as I'm concerned and anyone there, he had 7 stitches I think, 2 inside and then 6 outside, it was a deep superficial gouge and cutting the nerves, tendons, muscle.
