Tom,

Mr Talarico called said spoke with Tony (the circuit clerk) and the appeal was rejected not denied. (I'm not sure of the difference)

Tony said we cannot adjoin the previous appeal but have to amend the previous appeal and that is the reason it was rejected.

Talarico said he checked a box to adjoin the prior appeal and that there is no place on the form for amending the appeal.

Talarico said he has a call into the appellate clerk and is awaiting a call back to figure out the correct way to get this issue fixed.
