Sorry I just stepped away for a moment.

I am generally available this afternoon at 773-341-8114.

Thanks for returning my call.

If today does not work, please let me know when would be a good time.

I can tell you that this relates to the discovery served by Tom Gooch after he noticed his motion to withdraw and before he presented it. You served discovery after you came into the case. We had an agreement that I would answer your discovery and not Gooch's, from what I recollect.

I won't take up much of your time.

Thanks again.

Dear George,

I believe there may have been three, but simply because the first email took forever to send as the documents attached were so large. The first contained all four of the files. The second contained three files and the third contained one file. There are only four files total—so the emails are duplicative as originally I did not believe the first email would send.

Thus, you should have these four files:

1. Dulberg Stamped 2646-2649
2. Dulberg 2650-7892
3. Dulberg 7893-8551
4. Dulberg 8552-8708.

Please let me know if you did not receive all of the documents.

Hi Julia,

Thanks again for resending those requests from George Flynn.

At this point I will not be meeting their deadline of August 27th until I have new council and/or the Judge rules that I must divulge communications with my attorney Gooch from the current case.

I'm not an attorney but I believe its common knowledge that what George Flynn is asking for is wrong and strikes at the heart of attorney/client privilege.

Kindly let Mr Flynn know he will not be receiving those answers or files until I have new counsel or the Judge rules on our objection at my deposition and orders me to turn over privileged communications.

Thanks again,
Paul

Dear Paul,

We previously obtained an extension info time to respond to document discovery in your case—see below—to August 27. Opposing counsel is insisting on the August 27 response date.

As we are withdrawing it is likely more appropriate for your new counsel to respond to the discovery

As we are maintaining, it is likely more appropriate for your new counsel to respond to the discovery. Alternatively, you could seek more time when the matter is before the Judge on Sept 10.

Julia:

This correspondence is being forwarded pursuant to Illinois Supreme Court Rule 201(k).

I just received your firm's motion to withdraw. If you could please pass along to Mr. Dulberg or his new counsel, that we must insist on the outstanding written discovery being answered by August 27, 2020 per our agreement below, it would be appreciated.

I think we have been very patient with Mr. Dulberg in responding to discovery which has been directed at his assertion of the discovery rule in this case, where he is attempting to overcome a statute of limitations defense (issues which are evident from the face of the pleadings and the applicable statutes involved).

The supplemental discovery we served merely clarified and more specifically identified communications and documents which were the subject of prior discovery requests, and some of which were identified at Mr. Dulberg's discovery deposition taken on February 19, 2020.

Please feel free to contact me if you would like to discuss this matter.

Very truly yours,

George Flynn

Good Morning Cherelle,

I don't see that we got this invoice. (We may have and I missed it)
Can you have the billing department resend it?

Thanks so much,

Good Afternoon Cherelle,

We completed the deposition of Hans Mast in the Dulberg v Law Office of Thomas Popovich et al matter. We just received the transcript. We are hoping to get an invoice from you as soon as you can provide it so that we can properly bill the file.

Please cc my assistant Mary Winch, marywinch@clintonlaw.net on the email with the invoice. She will handle getting it paid.

Thank you for your help on this.

Thank you,
