Dear Mr. Dulberg,

Please review the attached draft, make changes where desired and if you also have a Response to Baudins' third argument I would like to know that also.

Finally, a list of facts you want to use in Response that, once received and reviewed with discussion with you, I will put into a proper format, send to you for signature and notarization and inclusion in our response.

Thank you.

Your anticipated cooperation is greatly appreciated,

Alphonse A. Talarico Esq.

I am attaching an edited version of the word document where I added considerably to Argument #1. I did not add anything to the other arguments.

Hopefully, Mr Talerico can open the edited version in his microsoft word program. Please review and offer feedback if you wish.
