Gentlemen,

Please see the attached.

If you have time, please let me know if you find herein any cases to support my position that I can supplement the Record on Appeal with related "other/different" cases.

Thank you,

In the attached PDF's I have corrected the copy paste garbled gibberish text issue within the original documents so we can easily copy paste and search each case online without having to manually retype everything.

Hope this saves some time when researching.

Paul
