Dear Mr Talarico,

Per your phone call late this afternoon, my understanding of what you said was we don't need to respond to ADR's latest filing because the circuit court lost jurisdiction to the appellate court?

Please explain this in email so Tom Kost can understand what this all means because I don't understand it myself.

This idea that the circuit court lost jurisdiction appellate court is why you didn't respond to or appear at the last circuit court hearing filed by ADR and the circuit court ruled in their favor anyway.

Please explain this in email so Tom Kost and myself can understand it because I don't understand it and cannot explain it.

Thanks,
Paul
