Please cease sending me wip as it confuses my filing and only serves to be a gate into which a call to see if I am working follows.

Sincerely,
Alphonse

Dear Mr Talarico,

My Apology, I was sending the email under the understanding that you needed us to make the list and start referencing the relevant documents needed and in the attached documents I noted in several places that I needed to work with you on identifying some of them.

If I was somehow in error, I apologize for misunderstanding and will cease work and stay out of your way till you let me know what I can do that will help.

Paul
