Dear Paul,

When you say “generally”, what does that mean? What portions are not “true and accurate”?

We cannot have “generally” true answers. We are stuck with these answers. The other side will question you about them in your deposition and then if something is inaccurate they will use it against you at trial.

Please review and advise as to what is incorrect and needs to be corrected.

In, Dulberg Answers to Thomas Popovich Expert Interrogatories Draft 2019 July 31.docx
Please remove the following yellow highlighted text from **C. Retained Expert Witnesses** and submit to defense, it's good to go.
We will disclose Dr. Lanford at a later date. We need to retain him again.

In, Dulberg's Answers to Hans Mast's Interrogatories to Plaintiff 2019 July 2.docx please consider the following suggestions for changes and submit to the defense, it's good to go.

In the answer to Question 2 below, the strike through words may be replaced by the italicized word next to it.
Between October 2013 and January 2014,
Mast ~~advised~~ *told* Dulberg that Illinois law does not permit a recovery against the McGuires' in the circumstances of Dulberg's case and that he would not receive any recovery from the McGuires. Mast ~~advised~~ *told* Dulberg that the judge would rule in favor of the McGuires on a motion for summary judgment.
Mast further ~~advised~~ *told* ~~that~~ Dulberg *that he* would retain his claim against Gaganon and be able to seek and receive a full recovery from Gagnon.

In, Dulberg's Answers to Popovich Interrogatories to Plaintiff 2019 July 31.docx please consider the following suggestions for changes and submit to the defense, it's good to go.

In answer 2. Consider removing "and the injury sustained" from the following lines. I don't want to invite opinions or give the impression that the McGuires or Gagnon have anything of value to give here that the treating Dr's do not. Again, I stike out the words below that I think should be removed.
William McGuire ("William") has knowledge regarding the facts and circumstances leading to Dulberg's injury~~ and the injury sustained~~.
Caroline McGuire ("Caroline") has knowledge regarding the facts and circumstances leading to Dulberg's injury~~ and the injury sustained~~.
David Gagnon ("Gagnon") has knowledge regarding the facts and circumstances leading to Dulberg's injury~~ and the injury sustained~~.

Also, in answer 2, below I strike out a typo and replace it with italic

Also, in answer 2, below I strike out a typo and replace it with italic

Barbara Dulberg. 4606 Hayden Ct., McHenry, IL 60051. Retired. Barbara is expected to testify to the facts and circumstances of the November 4, 2013 meeting with Hans Mast. Barbara is also expected to testify as to the facts and circumstances of Paul Dulberg's pain and suffering, and ~~Dulerg's~~ *Dulberg's* loss of use of his arm.

In question 14, answer 2. below I add in italics the correct wording needed to make this accurate.

4. Enlarged Prostate Treater*s*:
Dr. Berger, The Uro Center, Lake Zurich, *Illinois*
Dr. Elterman and Dr. Tarnauskas*, Elterman Center, Skokie, Illinois*

In question 24 answer, please remove The following part of the highlighted text "This has been added because on January 29, 2014, you actually did agree to settle and signed the agreement. It is added because otherwise it looks like you never agreed to settle at all, which isn't true—and will be easily shown to be false through the documents. We need to be clear that the although you never granted authority to settle, you did accept a settlement."

Also, please remove just the yellow highlight from "On or around January 29, 2014, Dulberg signed the settlement agreement." and leave the text.

In the answer to Question 26 below, the striked through words may be replaced by the italicized word next to it.

Mast ~~advised~~ *told* Dulberg that the judge would rule in favor of the McGuires on a motion for summary judgment.

All our answers to the interrogatories are generally true so the above changes are suggestions that I believe should be made. I leave it up to you to decide whether or not to implement them.

Please provide me a copy of the final answers you submit to defense council.

Thank you,
Paul

Dear Paul,

I have attached the most recent draft of the discovery responses.

I made some minor edits from your last notes. I did not incorporate all of your notes as, at this point, we should rely mostly on our own information and then supplement with things from counsel's production at a later date. It is simply to intensive to go through their entire production and incorporate in our initial responses.

We can supplement and I intend that we will supplement these responses.

At this stage, we are very late. If the answers are true and correct, I think we should move forward.

Please review and let me know if we can send these to opposing counsel.

3. Identify the address of the McGuire's property described in paragraph 6 of your second amended complaint, and your address identified in paragraph 7 of the second amended complaint.

ANSWER: McGuires' real property is located at 1016 W. Elder Ave., McHenry, IL 60051. Dulberg's home is located at 4606 Hayden Ct., McHenry IL 60051

4. Identify and describe how you were invited to the McGuires' property to see if you wanted any of the wood from the tree, as alleged in paragraph 12 of your second amended complaint.

ANSWER: Dulberg received a call from Gagnon on June 27, 2011. Over the phone, Gagnon asked Dulberg if he wanted wood from the tree that the McGuires were removing and invited Dulberg to come see the wood.

5. Identify how William McGuire physically assisted in cutting down the tree, including the date, time, and location of his assistance, and describe how and when he supervised David Gagnon's actions in cutting down the tree, as alleged in paragraph 13 of your second amended complaint.

ANSWER: On June 28, 2011, Dulberg went to the McGuires' home and arrived between 8:30-9:00 am. He observed William McGuire working with Gagnon between that time and approximately noon that same day to remove tree branches from the tree. Gagnon continued to work throughout the day, after William stopped working. Caroline was present observing the work and supervising the work.

William and Caroline McGuire purchased and provided the chainsaw that was used to cut the branches. William and Caroline McGuire provided the ropes and straps that Gagnon used to climb the tree. Caroline had the chain saw owner's manual in her possession and instructed Gagnon what fuel/oil ratio to use for the chain saw.

William and Caroline McGuire instructed Gagnon as to which trees and branches that they wanted removed and where they wanted the trees and branches to fall during the removal process. Gagnon climbed into the tree and cut the branches utilizing the chain saw that the McGuire's provided. The branches would fall to the ground and William would pile the branches in the yard. He also started a fire and burnt some of the branches. At times, William started the chainsaw for Gagnon.

Throughout the entire day, Caroline observed the work and instructed Gagnon to "be careful" on several occasions. She also provided water to both William and Gagnon.

William, Caroline, and Gagnon had several conversations throughout the morning as to which trees and branches to cut, how to best remove the trees and branches, where the trees and branches would fall, and how to clean them up. William and Caroline instructed Gagnon regarding those matters.

At approximately noon on that same date, William stopped working on cutting down the tree and went into the house. He then came out of the house and entered the McGuires' pool that is located on the same property.

Gagnon continued to work through the afternoon and early in the afternoon complained to Caroline that he was "working alone" and couldn't complete the work that day without help. Caroline and Gagnon then asked Dulberg to assist. Dulberg agreed to assist.

Dulberg assisted William McGuire by moving branches to the garden and started the chainsaw for Gagnon once while Gagnon was in the tree.

Dulberg then assisted Gagnon by moving the large branches that had already been cut and holding the large limbs steady so that Gagnon could cut them. Dulberg would hold the large branch while Gagnon would cut the smaller branches off the larger branch with the chain saw.

Gagnon would tell Dulberg which branches to pick up and move to the location where Gagnon was cutting them into smaller pieces by cutting off smaller limbs with the chain saw. Gagnon would also instruct Dulberg as to how and where to hold the limbs so that he could cut the branch with the chain saw. Gagnon placed the larger limb, which was now stripped of the smaller branches in a pile and instructed Dulberg to grab the next limb, which still had the smaller branches, to start the process again.

The chain saw was very loud and little conversation occurred during the time the chain saw was on. Instead, Gagnon would gesture to communicate with Dulberg as to how he wanted the branch held or moved.

No one cut down the entire tree that day, instead branches were removed from the tree and cut down into smaller pieces.

6. Identify and describe how Caroline McGuire supervised David Gagnon and William McGuire's actions, as alleged in paragraph 14 of the second amended complaint.

ANSWER: See answer to 5.

7. Identify the date, time, the location, and the exact words exchanged between Gagnon and the McGuires on the one hand and you on the other as alleged in paragraph 15 of your second amended complaint, in which it is alleged that were asked to assist the trimming and removal of the tree.

ANSWER: See answer to 5. Dulberg does not recall the "exact words exchanged" but does recall the incident as outlined in his answer to 5.

8. Identify what safety information was readily available to Caroline and William McGuire as alleged in paragraph 18 of your second amended complaint, and how you know this information**.**

ANSWER: Caroline and William McGuire had the owner's manual to the chain saw. Caroline was reading parts of it aloud to Gagnon in the morning of June 28, 2011. Dulberg observed Caroline in possession of the owner's manual and saw her reading it in the morning of June 28, 2011.

The owner's manual had safety instructions and warnings that would have prevented the accident.

9. Did you request any protective equipment or other safety devices from the McGuires or Gagnon while you provided assistance to Gagnon in operating the chainsaw?

ANSWER: No, Gagnon instructed Dulberg as to what to do and Dulberg never operated the chain saw or read the owner's manual.
