PD

Hi Julia,

I am having trouble testing this zoom app . It may be because it's an iPad Pro and not a traditional iPhone

After several attempts I did manage to successfully sign up and sign in.

Because it's a zoom app and not a web browser I need to follow instruction 4b and call into the meeting and apparently I will need a unique participant id to join the meeting tomorrow

Do you provide me with that or do I need to contact the people in the email that sent the instructions

Thanks,
Paul

Dear Paul,

Below are the instructions for joining the deposition tomorrow. As you will not be questioning the witness, I recommend placing your microphone on mute during the deposition to avoid any noise that may disturb the deposition or confuse the court reporter.

Best Regards,

Julia Williams
