PD

Hi Julia,

I know your off this case but I am overwhelmed and could use your help.

I need all of the final discovery documents we sent to opposing counsel through the case.

This includes all our final answers to interrogatories and document production sent as well as all supplementals requests etc....

Why?

I messed up a few weeks ago when you sent the thumb drive. It filled my hard drive and I couldn't get it all in the Mac and I had a computer crash. My machine froze up and I had to move or delete a lot of data. I tried to then to use my old 32 bit windows PC and move the files to windows and that created more issues than I can count. I have spent weeks trying to sort things out. Bottom line, I think I'm suffering from information overload and moved so many things around to make room that I can't find anything anymore or if I do find it I'm not sure that it is the final version of what I am looking for.

I will never know your file system as well as you.

Please help me out with this

You can resend me the emails with the final discovery documents and interrogatories

Or

Send new emails with all the final discovery documents

Or

Send me the exact file names so I can do a search and find them.

I know I am asking a lot of you to help even though you withdrew and I am sorry I wasn't better prepared for that much data to come my way.

Thank you and stay safe,
Paul
