Hans,

Your cornering of me and my brother in your office, bullying me into signing off on The McGuires policy citing cases that have nothing to do with the agency clause in the homeowners policy, which clearly makes her policy accountable. You sir are the one whom told me that I would never see a dime from either case if I didn't sign that piece of paper before leaving your office that day. You wouldn't even let me sleep on it as I had asked. You said you needed the \$5,000 settlement with the McGuire's insurance to help fund your costs for the case with David Gagnon.

Then when the physical therapists tried to demand payment in full you told me and my mother that medical leans against lawsuits often expire before the case is resolved saying yes the medical providers can proceed in collecting funds from my assets. Meaning my home. Forcing me into bankruptcy. Then, after filing for bankruptcy, denying you ever said that to both me and mother and going on to say to us that filing for bankruptcy protection had ruined the case.

All that followed up by getting a brief to review from you on the David Gagnon case that was of such a poor understanding of the facts are what lost any hope of respect I had.

I am and have been trying to get you to be professional and earn that respect back at every step.

If you had not taken advantage of my ignorance you would not be receiving this letter nor trying to squirm your way out of representing me today.

As far as your costs and in light of your poor performance to date, it throws into question all of the work you have done on this case. Even the depositions you sat in on are in question. Do you actually think anyone in their right mind wouldn't see it that way.

You may argue strategy as a defense for incompetence but since you sat in on the medical depositions and don't even know what medications I was and wasn't prescribed after almost 3-1/2 years on this case I highly doubt anyone will see your defense as viable.

Exactly, What part of being harmed by both the McGuires and Gagnon through no fault of my own is 9 out of 10 times a losing case?

Exactly what part of you manipulating me into a settlement for only \$5000 was seeing to my best interests?

Exactly how is lying in a briefing you were prepared to put before a judge is in my best interests?

Exactly how is giving you chance after chance to correct yourself not giving you the respect you think you deserve from me?

I can keep going...

I have witnesses to all of this. It's not just your word vs mine.

Bottom line is if you want out simply because you feel I have no respect for you then all of your fees are subject and any lean you have is subject.

I'm giving you the opportunity to remedy this coarse of action you have chosen.

Do you chose to be professional and do the job your capable of or do you chose to remove yourself for some made up reason. Our emails alone show there is no breakdown in communication. We are still communicating. This email proves that.

So, unless you can explain your action to remove yourself from this case for some excusable reason I see no reason why you feel your entitled to being able to get excused from it at all.

I put you to task to do as you agreed to and represent me to whatever ends this case comes to. Will you be professional and finish what you started?

Damn these emails hurt to type...

Wish you had it in you to go after the bad guy who did this and not your innocent client.

Subject: EMG Test

Hi Hans,

I had a new EMG test done on Tuesday by Dr. Levin at Associated Neurology. She said I should hear from Dr. Sagerman by Friday with results but she doesn't think the test will show anything because of the localized type of damage to the nerve. She did say that it looks like the paralysis in my right hand is probably permanent since it hasn't shown any signs of healing.

When I was at Dr. Seks office he told me that the Hand Surgeon (Dr. Sagerman) had contacted him and talked about possible exploratory surgery in my arm.

Hi Hans,

Time for an update. I went to see Dr Sagerman today. He was able to look at the X-Rays, EMG, MRI and Physical Therapy Reports. He did a much better evaluation then I've had in the past and seemed to nail the symptoms and provide possible outcomes. I feel much more confident in his abilities. He is sending me for a new EMG to see if anything has changed. I called Dr Levin and have an appointment for March 8th to do the test.

Thanks again for all your help,

Hi Hans,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

I am going to try and make an appointment with DR. Scott Sagerman. Will keep you updated.

I had a meeting with Margret Bradshaw yesterday and she agreed to take on my case for SSDI. She had me sign something to give you a portion of whatever she gets for the referral.

Monday I had a re-evaluation with the physical therapist at dynamic hand therapy. She canceled any further therapy. Said I need to see a hand/arm surgeon ASAP and that physical therapy wasn't going to improve anything at this point.

I'm waiting to hear the MRI results Monday morning before running off to see a hand/arm surgeon.

Thats about it for now and I will let you know the results Monday.

Last one to that list for today, I promise!  
I don't think this is considered a hobby but it's important  
I miss being playful with all of my nieces and nephews.  
I can't pick them up and turn them upside down or tickle them to death without cramping up anymore. I feel like I have to distance myself from a huge part of my family and it bothers me all the time

Oh, add walking, brushing and playing fetch for more than a few minutes with the dogs to that list.  
Another item for the dogs is getting their food. Moving Large bags of dog-food from in the store to the car then into the house and up a flight of stairs is something I have a lot of trouble with. It's why Dr. Kujawa got me the handicap placard for my car.

They would like to meet at 12:30 the day of the arb- at the same location as the arb will be held at ADR Systems.  
Would that be okay for you to meet them there by 12:30?

I forwarded the IME to her office a week or so ago and left a message for her nurse stating we were requesting her to review the report prior to your appointment this week.

There's nothing in particular that you need to ask her. After your appointment, Randy and Kelly will be contacting her to see if she has any commentary regarding the report or if any of her opinions have changed and/or why. They wanted her to be the most recent doctor to see you prior to the mediation and wanted her to see you again since the IME.

Randy will not be attending your appointment tomorrow though.

Hi Myrna,  
Tomorrow I'm visiting Dr. Kujawa.  
Is there anything Randy or Kelly would like me to bring up with Dr. Kujawa?

Also, will Randy be there like he was at that farce insurance examination we had to endure?

Thanks,

Never had a lawyer who needed me to help write or correct anything before.  
The SSDI lawyer pulled everything from the record and it was perfect.

Yes, I would like to reword much of it because I wouldn't want anything used in it twisted later if we do go to trial.

Yes, I understand that your firm won't back me but it doesn't mean I'm not going to take it to trial anyway. I need the wording to match exactly what I need should I go the distance.

I can honestly say the dollar amount you listed I would never agree to. It wouldn't even cover my wages for the years in physical therapy yet the rest of my life.

If I end up with a structured settlement where I have to chase this guy I believe we can always sell the settlement and cash out. Is that possible?

Hi Myrna,  
Apparently Barb, my mom, called and talked to Keli today.  
Barb told me that Kelly would like me to make an appointment with Dr. Kujawa before the mediation.  
I did make a new appointment.  
It's November 11th at 11:30 am.

Did we send Dr. Kujawa the Independent Medical examination report or am I supposed to take it with me to the appointment?

Thanks,

Hans,

Your cornering of me and my brother in your office, bullying me into signing off on The McGuires policy citing cases that have nothing to do with the agency clause in the homeowners policy, which clearly makes her policy accountable. You sir are the one whom told me that I would never see a dime from either case if I didn't sign that piece of paper before leaving your office that day. You wouldn't even let me sleep on it as I had asked. You said you needed the \$5,000 settlement with the McGuire's insurance to help fund your costs for the case with David Gagnon.

Then when the physical therapists tried to demand payment in full you told me and my mother that medical liens against lawsuits often expire before the case is resolved saying yes the medical providers can proceed in collecting funds from my assets. Meaning my home. Forcing me into bankruptcy. Then, after filing for bankruptcy, denying you ever said that to both me and mother and going on to say to us that filing for bankruptcy protection had ruined the case.

All that followed up by getting a brief to review from you on the David Gagnon case that was of such a poor understanding of the facts are what lost any hope of respect I had.

I am and have been trying to get you to be professional and earn that respect back at every step.

If you had not taken advantage of my ignorance you would not be receiving this letter nor trying to squirm your way out of representing me today.

As far as your costs and in light of your poor performance to date, it throws into question all of the work you have done on this case. Even the depositions you sat in on are in question. Do you actually think anyone in their right mind wouldn't see it that way.

You may argue strategy as a defense for incompetence but since you sat in on the medical depositions and don't even know what medications I was and wasn't prescribed after almost 3-1/2 years on this case I highly doubt anyone will see your defense as viable.

Exactly, What part of being harmed by both the McGuires and Gagnon through no fault of my own is 9 out of 10 times a losing case?

Exactly what part of you manipulating me into a settlement for only \$5000 was seeing to my best interests?

Exactly how is lying in a briefing you were prepared to put before a judge is in my best interests?

Exactly how is giving you chance after chance to correct yourself not giving you the respect you think you deserve from me?

I can keep going...

I have witnesses to all of this. It's not just your word vs mine.

Bottom line is if you want out simply because you feel I have no respect for you then all of your fees are subject and any lean you have is subject.

I'm giving you the opportunity to remedy this coarse of action you have chosen.

Do you chose to be professional and do the job your capable of or do you chose to remove yourself for some made up reason. Our emails alone show there is no breakdown in communication. We are still communicating. This email proves that.

So, unless you can explain your action to remove yourself from this case for some excusable reason I see no reason why you feel your entitled to being able to get excused from it at all.

I put you to task to do as you agreed to and represent me to whatever ends this case comes to. Will you be professional and finish what you started?

Damn these emails hurt to type...

Wish you had it in you to go after the bad guy who did this and not your innocent client.

Hi Hans,

I had a new EMG test done on Tuesday by Dr. Levin at Associated Neurology. She said I should hear from Dr. Sagerman by Friday with results but she doesn't think the test will show anything because of the localized type of damage to the nerve. She did say that it looks like the paralysis in my right hand is probably permanent since it hasn't shown any signs of healing.

When I was at Dr. Seks office he told me that the Hand Surgeon (Dr. Sagerman) had contacted him and talked about possible exploratory surgery in my arm.

Hi Hans,

Time for an update. I went to see Dr Sagerman today. He was able to look at the X-Rays, EMG, MRI and Physical Therapy Reports. He did a much better evaluation then I've had in the past and seemed to nail the symptoms and provide possible outcomes. I feel much more confident in his abilities. He is sending me for a new EMG to see if anything has changed. I called Dr Levin and have an appointment for March 8th to do the test.

Thanks again for all your help,

Paul

Hi Hans,

I received the results from the MRI done on my right arm and Dr. Levin said the MRI came up negative. The physical therapist had already told me that this type of damage seldom shows up on an MRI. Dr. Levin said it was all muscle and tendon damage. Dr. Levin and the physical therapist both suggested I see an hand and arm orthopedic specialist.

I am going to try and make an appointment with DR. Scott Sagerman. Will keep you updated.

Hi Hans,

I just spoke with the receptionist at Associated Neurology. The MRI results are in and they want to see me Monday Morning 9 AM to discuss them. They wouldn't say weather it was good or bad, just that she wanted to see me to discuss it.

I had a meeting with Margret Bradshaw yesterday and she agreed to take on my case for SSDI. She had me sign something to give you a portion of whatever she gets for the referral.

Monday I had a re-evaluation with the physical therapist at dynamic hand therapy. She canceled any further therapy. Said I need to see a hand/arm surgeon ASAP and that physical therapy wasn't going to improve anything at this point.

I'm waiting to hear the MRI results Monday morning before running off to see a hand/arm surgeon.

Thats about it for now and I will let you know the results Monday.

Thanks for everything,

Bowling, I was good at it and did it once a week since I was a kid till this happened.  
Ok that's all for today but the list of things I used to be able to do is a long one. Sorry

Last one to that list for today, I promise!  
I don't think this is considered a hobby but it's important  
I miss being playful with all of my nieces and nephews.  
I can't pick them up and turn them upside down or tickle them to death without cramping up anymore. I feel like I have to distance myself from a huge part of my family and it bothers me all the time

One more thing I totally forgot about cause I just can't do it anymore but used to do at least twice a year, usually more.  
Rock face climbing and rappelling

Oh, add walking, brushing and playing fetch for more than a few minutes with the dogs to that list.  
Another item for the dogs is getting their food. Moving Large bags of dog-food from in the store to the car then into the house and up a flight of stairs is something I have a lot of trouble with. It's why Dr. Kujawa got me the handicap placard for my car.

Hi Myrna,  
Kelly was asking what hobbies I had prior to the accident so I started a list.  
All of the following are things I used to do that are now affected or altogether stopped after the accident.  
This is the quick short list.

Camping, Canoeing & Fishing  
Vegetable gardening & other yard work  
Cooking, Baking, Candies & canning  
Motor Sports, boating, ATV & motor cross, snowmobile

Water Sports, skiing, tubing, etc...  
Winter sports, skiing, tubing, snowmobile, etc...  
Building, maintaining and repairing motors on cars motorcycles  
lawn mowers and boats  
Playing Guitar  
Off road Bicycle riding  
Building, repairing, remodeling and maintaining my home  
Art, Design & Sketching  
Photography  
Typing  
Writing

Like I said earlier, this is a short list. I had a lot of hobbies but  
these are the ones that I remember the most and miss

Hope this helps,  
Paul

I forwarded the IME to her office a week or so ago and left a message for her nurse stating we were requesting her to review the report prior to your appointment this week.

There's nothing in particular that you need to ask her. After your appointment, Randy and Kelly will be contacting her to see if she has any commentary regarding the report or if any of her opinions have changed and/or why. They wanted her to be the most recent doctor to see you prior to the mediation and wanted her to see you again since the IME.

Randy will not be attending your appointment tomorrow though.

Hans,

I have found in the paperwork you provided me of the notice of discovery for the Dr's depositions.

All of the paperwork clearly states they were to be deposed before Merrill Legal Solutions on various dates.

Upon contacting Merrill Legal Solutions, none of the Dr's depositions were recorded by that company. In fact, Merrill claims that they did not record any depositions in my case whatsoever.

So, what company did the recording of the Dr's depositions you claimed to have attended?

I will be contacting them in the morning.

I'm still unclear as to who ordered the medical depositions be taken?

Thanks again,

Hi Hans,

Sorry I need to bother you again.

I need your electronic case file for Paul Dulberg along with all paper files you have.

I did get the paper files from Brad Balke however of the plaintiffs/defendants depositions I received sections are missing in each and there are no dr's depositions at all. Brad promises he turned over everything he received from you.

Please collect all relevant information you have for this and notify me when it will be available to be picked up.

Thank you in advance for your help with this matter,

Hi Hans,

I need to know if your willing to take a cash payout to release your lean on my case?  
If so, how much do you want?

Hi Brad,  
If you didn't read the previous emails, I need to know how much you want to sign off the lean on my case before Friday.  
I'm available all day Thursday to discuss.  
Thanks,  
Paul
