#112 - Paul ~~had~~ ^{did} ~~do~~ ^{do} for a report that a Mc Guire
approved because they didn't know what to
do with it.

Mr. Quibbey was not helping. Do. & take down
many things. Mr. Quibbey was not involved in
any log cutting. The only movement Mr. Quibbey
made was to ~~try~~ move away to avoid the
chain saw.

#113 - True but a lie in that they didn't know
for deposition.

They did not supervise or
oversee work, chain saw
use or activity.

#118 - Paul Quibbey did not do any
work or lift heavy material for
Mike Thomas. ^{He tried but couldn't.} Paul did however
do some work on a boat for Thomas.
Per Thomas.
