Subject : Fwd: [EXTERNAL] 17LA377 Request for Report of Proceeding 06/10/2022

Dear Judy Carlson,

Below is my latest request for a CRS employee to bring the transcript of an electronically recorded proceeding into compliance with the local rules and the Illinois Rules of Evidence.

None of the transcripts I have received in the underlying case 12LA178 nor the current case 17LA377 are in compliance with the local rules for certification of electronically recorded proceedings and because of this do not meet the standards required by the Illinois Rules of Evidence.

Again I am asking for all the transcripts to be corrected in both cases so they may be used in hearings and at trial.

Thank You.

Paul

Dear Kathleen Strombach,

2 issues with the transcript.

1. The only attorney who appeared is identified as "A Voice".
2. The certification page does not comply with the local rules for certifying electronically recorded proceedings, thus cannot be used at a hearing or at trial according to the Illinois Rules of Evidence.

Please correct the above issues and amend the transcript.

Thank you.

Paul
