**Subject : Master File with Deps**

Attachment available until Jan 30, 2021  
Dear Mr Talarico,

Please find the Master file where I pulled the depositions from attached to this email.

The following emails will each have a single deposition attached for each person deposed in the original case minus the Dr depositions.

I can pull the individual Dr depositions out of the master file as well if you need them.

Thank you and glad your on the mend,  
Paul
