Dear Mr Talarico,

In looking for things we discussed on Friday I was not able to find the attached document in the document disclosures.

I am not sure if I am not seeing it amongst the 8000+ pages in my document disclosure to the defense or if it is missing.

I could swear I gave a copy of this to Mr Gooch the first day I met with him.

Leaves me wondering, if its not included in the document disclosure who left it out, Gooch or Clinton and if one or both of them thought it was even relevant?

I am sending it to you in this email.

Thanks,

Paul
