Subject : Status on when All court transcripts for 17LA377 will be available

Dear Mr Talarico,

This is just a status on how long it will take to get all the transcripts of every past court date.

I have requested Transcripts for every court date and hearing to date for our current case 17LA377.

I do not expect to have all the transcripts for at least 2-3 weeks as many of the court reporters have already reached out to explain that they need to get them restored from the archives and that's why the 2-3 week delay while other court reporters who also have earlier dates are not having that issue.

Catching Mr Flynn in open lies on the record to the court to try and influence a Judges decision about anything and everything is far too valuable to let anything slip by.

In the future, I will order up every transcript immediately after every future court date no matter how insignificant and provide them to you as soon as I receive it.

Thank you,
Paul
