Hi Julia,

Just noticed I sent this from the wrong email address so I am resending it from the correct one.

Hi Julia,

I tried to get a photo copy of the bankruptcy surplus check deposited to my account as requested by Mr Flynn during my deposition but my bank does not have online records that go that far back.

I can only search my bank records dating as far back as last year.

I dug through my mess of a file system from back then and luckily came across the attached PDF document I named 2017-05-16_McHenry Bank & Trust - Bankruptcy surplus deposit - Notice of delayed availability.pdf

I believe this was the surplus from the Bankruptcy totaling \$97,426.40 but it can be confirmed from Joe Olsen the Bankruptcy trustee at the time.

Mr Flynn also asked for me to preserve the Gooch emails.

I believe you may already have those as PDF's, if not please let me know and I will send them to you.

The letter and emails from Saul Ferris that Mr Flynn requested, you should already have those, If not I can resend those as well.

Should I go back and try to find the names of some of the other firms who refused to take my case?

If there is anything else Mr Flynn requested that I haven't addressed please let me know and I will try and find it.

**Thanks,
Paul**
