Attachment : Motion to Exclude Filed October 12, 2022 CC-Civil - 2017LA000377 - 10_12_2022 - - - MOT - -.pdf;

Dear Mr. Dulberg,

It turns out that one day was not enough to catch up on matters I must attend to.

i will be out of state returning Sunday night so we can continue on your matter Monday.

It seems that the process for you to obtain a "Report of Proceedings " has become more involved based on your cc to me.

Today the Illinois Supreme Court established a new rule regarding the use of exhibits in criminal and civil trials. I have not yet obtained the new rule but will forward it when I have it. Although the rule does not go into effect until January 1, 2023 we should be guided by it as we progress. Judge Meyer has not yet signed the order from October 13, 2022 based on the fact that it is not reflected on the Clerk's site.

I have attached a file stamped copy of our Motion to Exclude backed dated properly to our original date of filing, October 12, 2022

Sincerely,

Alphonse A. Talarico
