Dear Mr Talarico,

The 4 attached Photos were taken this morning of the location The Baudin Law Group, Ltd. lists themselves at. 820 E Terra Cotta Ave #138 Crystal Lake, IL 60014

It appears they are remodeling the new office and no one is there.

This leaves us the Florida address as the only known location by which to serve the Baudins at and there is no guarantee they are there.

Just had a thought, if they are still appearing for cases in McHenry County, they may operating temporarily at Baudin seniors office. I don't have the new location of his office right now but I believe I remember it being in Crystal Lake.

Paul
