I explicitly instructed Alphonse to write:

"On October 29, 2022 Dulberg obtained a copy of the ADR contract that ADR Systems has on file.

When the binding mediation contract which the Bankruptcy judge agreed to on October 31, 2016 is compared to the binding mediation contract which ADR systems has on file, a number of inconsistencies become noticeable (exhibit - images comparing the 2 contracts).

Dulberg's name appears written on the ADR systems contract but Dulberg refused to enter into the agreement verbally and in text messages and never signed the contract."

I just assumed he wrote this into the complaint but now I am not sure. Original text file that was sent to Alphonse is attached

Randy-

The Court authorized your appointment this morning, as well as entry into that "Binding Mediation Agreement";

Do you want the debtor to /s/ the form, or me as trustee?

Let me know, thanks.

You can good ahead sign it. Thank you so much.

- Note: Dulberg reads Baudin tell Olsen to sign ADR Contract which makes sense to Dulberg since Olsen had standing and was approved to enter into binding mediation - Dulberg assumes Olsen signed the ADR agreement from the conversation. NO need to investigate

9/26/2022 4:21 PM Dulberg receives 10/31/2016 Bankruptcy report of proceeding

9/26/2022 4:33 PM Dulberg forwards the report of proceeding to Alphonse Talarico stating:
"Lets talk after you digest what happened in this one."

- Note: Dulberg discovered the trustee misled the Bankruptcy court

10/22/2022 Dulberg gets a copy of the contract on file with ADR expecting to see the trustees signature and sees his own signature. This Triggered Dulberg to file a cause of action based on fraud because Dulberg never signed the contract and Dulberg did not have standing to sign the contract.

- Note: Dulberg, now doing a deep dive into the contract fraud, discovers the differences in the terms of the contract from that approved by the bankruptcy court and the fact that the signature page does not belong to the executed contract. this happens between 10/22/2022 and 12/8/2022

The attached PDF contains key points in an ADR Systems amended complaint.

This should be sent to Mr Talerico after you read it and suggest corrections.
