attached document is 6 pages long. Maybe some mistake.

Please send a current version of the Clinton Williams ARDC Complaint.

If you had listened to me rather than making the comment about following orders like a dog, I was going to show you the correct copy is in the folder on your hard drive in the folder current exhibits..

You already have it, Look there and figure it out yourself

The work product and presentation is excellent.

My only concern is how quickly we can get this out the door. No need to answer that now.
