2 questions for Mr Talerico:

1) When is the Baudin surreply due to be filed? (When should it be sent to Mr Talerico in completed form?)

2) What steps do we take to include the Clinton-Williams ARDC Complaint in the record being sent to the Appellate Court for our Popovich-Mast appeal?

Also note, Paul and I are in the final stages of preparing an ARDC Complaint against Popovich and Mast. It would be nice to be able to place the Clinton-Williams ARDC Complaint AND the Popovich-Mast ARDC Complaint in front of the Appellate Court together with our appeal. Is this possible?

Gentlemen,

The sur-reply should be filed and served as soon as possible but no later than August 21, 2023.

As to the inclusion of the ARDC Complaints within the Appeal, after I have the final filed ARDC Complaints much research is anticipated based upon the overriding principle that the ARDC process is very secretive and the information is allegations under oath but not yet determined to be fact.. I believe it can be done or at least an offer to include made to the Appellant Court by motion so we should act fairly quickly to give us some wiggle room.

Thank you,

Alphonse a. Talarico
